Springing Into March

We are quickly approaching spring, where has the time gone? The year is quickly moving. As the snow melts, birds birds have already started returning, and the trees will begin to bud. And soon, it will be warm again. Spring is near!

As March Break approaches, it's the perfect time for students, staff, and families to relax, and recharge. Whether it's enjoying outdoor activities, engaging in creative hobbies, or attending local community programs, taking intentional breaks from the classroom is essential.

High school students, if you have not already done so, you should be preparing for a summer job. This means getting your resume ready. There are many free youth job readiness programs available. If you are a youth that just entered high school and is therefore still too young for employment, remember, there are lots of employers that will be looking for volunteers this summer. Be sure to sign up to get you volunteer hours while gaining some experience.

IMPORTANT DATES

DAYLIGHT SAVING TIME

- **March 9th**

MARCH BREAK

- **March 10-14th**

KINDERGARTEN REGISTRATION

- **Children born in
2020**

PDSB BOARD MEETING

- **March 26 @ 7pm**

PDSB February 26, 2025, Board Meeting

At the February board meeting, we had the pleasure of welcoming three newly elect Student Trustees who will officially join the board in September. One from the north (Lincoln Alexander), one from the south (Clarkson), and an Indigenous student trustee (from Rick Hansen). Student Trustees ensure that student voices are represented at the board table.

During the board meeting, Director Swarup shared highlights of the many successes happening across the board. It's a testament to the hard work and dedication of our students, staff, and families.

One of the reports presented by the administration was on the impact of school partnerships and its importance on the PDSB's ability to provide unique learning experiences. Be sure to give it a read.

The meeting ended with the sharing of PDSB's Success Stories. If you have not had the opportunity to, visit the PDSB's website and check it out.
