**20. Multi-Year Strategic Plan Progress Report 10.1 – Human Resources, Partnerships and Equity**

Jaspal Gill, Chief Operating Officer and Associate Director, Operations and Equity of Access, stated that the Human Resources (HR) department is instrumental in fostering inclusive, equitable, and high performing environment which aligns with the Multi-Year Strategic Plan (MYSP). The report outlines the contributions of HR in improving organizational effectiveness and student outcomes. He thanked staff for their work in enabling the Board to continue to support student achievement.

Executive Officer, Human Resources, Partnerships and Equity, Masuma Khangura, presented a summary of the MYSP Progress Report which included an update on the impact of various initiatives of the HR department. She highlighted: successful planning and implementation of the Employment Systems Review recommendations; enhanced recruitment efforts; nurturing leadership; embedding equity; updating policy and procedures, risk assessments for safety and compliance, enhancing critical information systems within the department; implementation and completion of compensation related collective agreement requirements. Masuma Khangura commented on the Boards commitment to staff development, well-being, and improving partnerships, and supporting staff in meeting the needs of diverse students. She advised on HR's role in collecting and analyzing Workforce Census data which assists the Board to make informed decisions in addressing systemic racism, oppression, and reconciliation.

In response to a question, Masuma Khangura confirmed that a Workforce Census is currently being developed, and consultations with stakeholders has begun. The launch of a census is tentatively set for early 2026, with an analysis expected to be completed by summer of 2026.

**21. Multi-Year Strategic Plan in Action**

Paul da Silva, Associate Director, School Improvement and Equity, stated that the MYSP, developed collaboratively with the Board of Trustees and staff, continues to serve as a guiding framework to inspire and focus on the work done by Peel DSB. Superintendent of Education, Soni Gill, highlighted activities at various schools in Peel through innovative, identity-affirming and collaborative learning to achieve the MYSP goals and shared how schools are building pathways to student improvement. At Churchill Meadows Public School, the environmental stewardship and Indigenous Ways of Knowing initiative included a community garden, a green space where children learn about well-being, stewardship and care, infusing First Peoples' principles of learning and Indigenous ways. Oscar Peterson Public School's Ubuntu philosophy – I am because we are – defines the school's identity and shapes interactions. Students are reminded of strength in unity and the importance of their identity, voice, and contributions. A partnership between Edenwood Middle School and Plum Tree Park Public School enabled students to work together to build planters and benches and engage in hands-on projects connected to math, science, learning skills, design thinking and environmental stewardship. At Meadowvale Secondary school students are exploring pathways that ignite curiosity through international travel, collaboration with professional artists, and robotics activities. The work supports academic excellence, equity and inclusion are interconnected commitments.
